

Bwerenga, November 8th 2008

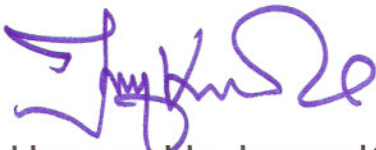

Expression of appreciation

I, Honourable James Kinobe, Minister of State (Youth and Children), hereby congratulate Kids of Africa, The Swiss African Children's Village for their exemplary achievements in establishing and operating their children's village in Bwerenga (Plot 49).

I have visited the village at the occasion of their third anniversary on November 8th, 2008. I have been sincerely impressed and would like to recommend the village as a role model for sustainable, long-term child-care.

It will be an honour to support their dedication and commitment to the children and the future of Uganda and they shall enjoy our full support and goodwill from my ministry and the Ugandan government.

Sincerely

Honourable James Kinobe
Minister of State
Youth and Children
